Mr. A. L. Hanley:
71 Crawford Street
Newark, New Jersey

Dear Sir:

I am Elijah Trisum who was recommended to you by Mule Suttles and was to report to your ball club somewhere in Ohio during that time. But due to the war I had the unfortunate luck of being called into the arm service to fight for our country. But I'll assure you I haven't been idle at baseball at no time of season during my length of service. I am as fit as ever and ready to go. I'm offering you the first opportunity because I feel that I owe it to you because I was called to the arm service before reporting to you. Therefore would appreciate if you would reply immediately, so I'll know which course to take. I Thank You.
